STOP as you glance through this program

LOOK at the advertisements of the Civic Minded Merchants whose names appear

LISTEN to the message they bring

for the appearance of their name in this program means that the services they render or the products they sell not only merit your attention, but that they, too, are concerned with the welfare of our community, and through their generosity and cooperation with the Twentieth Century Club are helping us to continue our civic and welfare projects. We appreciate the confidence they have shown in us; we will appreciate it if you will patronize them.

MRS. A. B. CRAWFORD, JR.
General Chairman

"Thank you so much," to all who have had a part in making our Flyer possible. Our director and all our committees have worked diligently and with much enthusiasm to bring what we hope will be a night of gaiety and enjoyment. I would like to express to them the great appreciation they deserve and—again—many thanks to every one.

DO YOU KNOW THAT . . .

The Twentieth Century Club was organized in 1913.

The purpose of the Club is to foster interest among its members in the social, economic, educational, cultural and civic conditions of the community and make efficient its volunteer service.

Our present membership totals 68.

ALL FUNDS ARE SPENT FOR CHARITABLE PURPOSES.

We have pledged \$2,000.00 to Health Camp Building Fund

We inaugurated the first baby ward in the Hospital and have maintained it throughout the years.

In the past two years we spent \$4,000 in the Baby Ward for sheets, blankets, shirts, diapers, baby beds, incubators, terminal sterilizer and refrigerator.

That we have maintained for years a book truck at the Hospital from which we supply patients with books and magazines twice each week.

A member of our organization serves on the Board of Trustees of The Newark Hospital.

IN 1925 WE JOINED WITH THE PHI SIGMA CHI FRATERNITY AND THE KIWANIS CLUB IN ORGANIZING THE LICKING COUNTY HEALTH CAMP.

Choice Not Chance

Brings Men To

FRUSTRATION

*Behind the glamour of the stage
Behind each ad on every page
There is a tired, patient man
Preparing dinner from a can.
His lot is not an easy one.
It's so much work and not much fun.
A sinkful of dishes, a houseful of dust,
Two tots full of mischief and ready to bust.
The phone's constant ringing; knock knock at the door,
The dog's on the table, the lamp's on the floor.
While Dad's job and housework in vain he combines,
Mother's busy rehearsing, and practicing lines.
A radiant show girl and coy Follies beauty,
She's slighting her family, and shirking her duty.
So as you're applauding, give credit where due,
Remember the husbands, it's their Flyer, too.*
