President's Message

MRS. WALTER U. BOLTON

Our warmest welcome to you, the audience of the fourth "Twentieth Century Flyer!"

The Twentieth Century Club has just completed forty years of active community service. Throughout these past forty years, the club has contributed not only thousands of dollars but also many thousands of hours of personal efforts toward worthy charitable projects.

Without the continued generous support and cooperation of our community as a whole, many of our accomplishments of those years could never have been undertaken, so with this in mind, we wish to take this opportunity to express our appreciation to all who have in any way assisted us.

For assistance in this function, we express our thanks to the advertisers who bring you this program, to our Patrons, to the cast and stage crew, and to the many others who have actively participated in making this presentation possible.

And now, as the house lights grow dim
and the footlights go higher,
the curtain rises on another
"Twentieth Century Flyer."

We hope that you will enjoy it!

Sincerely,
MARTHA S. BOLTON
President

STOP as you glance through this program

LOOK at the advertisements of the Civic Minded
Merchants whose names appear

LISTEN to the message they bring

for the appearance of their name in this program means that the services they render or the products they sell not only merit your attention, but that they, too, are concerned with the welfare of our community, and through their generosity and cooperation with the Twentieth Century Club are helping us to continue our civic and welfare projects. We appreciate the confidence they have shown in us; we will appreciate it if you will patronize them.

DO YOU KNOW THAT . . .

The Twentieth Century Club was organized in 1913.

The purpose of the Club is to foster interest among its members in the social, economic, educational, cultural and civic conditions of the community and make efficient its volunteer service.

Our present membership totals 68.

ALL FUNDS ARE SPENT FOR CHARITABLE PURPOSES.

We inaugurated the first baby ward in the Hospital and have maintained it throughout the years.

In the past two years we spent \$1100 in the Baby Ward for curtains, blankets, shirts, diapers, ventilators, lighting fixtures, baby beds and incubators.

That we have maintained for years a book truck at the Hospital and have recently purchased a new truck at a cost of \$150.00, from which we supply patients with books and magazines twice each week.

A member of our organization serves on the Board of Trustees of The Newark Hospital.

IN 1925 WE JOINED WITH THE PHI SIGMA CHI FRATERNITY AND THE KIWANIS CLUB IN ORGANIZING THE LICKING COUNTY HEALTH CAMP.

FRUSTRATION

Behind the glamour of the stage
Behind each ad on every page
There is a tired, patient man
Preparing dinner from a can.
His lot is not an easy one.
It's so much work and not much fun.
A sinkful of dishes, a houseful of dust,
Two tots full of mischief and ready to bust.
The phone's constant ringing; knock knock at the door,
The dog's on the table, the lamp's on the floor.
While Dad's job and housework in vain he combines,
Mother's busy rehearsing, and practicing lines.
A radiant show girl and coy Follies beauty.
She's slighting her family, and shirking her duty.
So as you're applauding, give credit where due.
Remember the husbands, it's their Flyer, too.
