**HISTORY OF THE TWENTIETH CENTURY CLUB**

In 1913, a group of ten girls, ranging from ten to twelve years, organized a first meetings new the Twentieth Century Club, which has continued through the years, expanding its work.

The name of the club was originally the Twentieth Century Club, but objection was made because it was longer than the name of the organization. It was then decided to name it the Twentieth Century Club.

The original members were: Elizabeth Kibler, Laura Kibler, Anna H. Kibler, Mildred Simson, and Elizabeth Kibler, which netted \$60.00 for the hospital project. Success brought continued success in the future.

Bored with just sitting around, the club decided to spend their time toward furthering the hospital then being erected. A benefit garden party held at the home of Elizabeth Kibler, which netted \$60.00 for the hospital project. Success brought continued success in the future. New members were added from time to time, and the annual day was established. Profits have ranged from \$1,000 on those days.

In 1915, the club joined with Phi Sigma Chi Fraternity in giving the first Charity Ball and a health camp for underprivileged children. Contact with other sponsors, the club has been successful in raising \$4,500 a year for that purpose. The club includes aiding in campaigns for Christmas and Easter but the Licking County County Hospital Association projects.

## The Printer

Without him... tyrants and humbugs  
in all countries would have their own  
way... He is a friend of intelligence  
and thought... a friend of liberty... of  
freedom... of law... indeed the friend of  
every man who is a friend of order...

Of all inventions, of all discoveries in  
science and art... of all the great results  
in the wonderful progress of mechanical  
energy and skill... the printer is the only  
product of civilization necessary to the  
existence of free men.

Spencer-Walker Press, Inc.

About 30 years have passed since the Twentieth Century Club produced its first Flyer. During that time, we have been able to give thousands of hours and dollars to the Hospital and Health Camp.

Without the wonderful cooperation we have received from you, the public, the support of our projects would not have been possible. Thank you patrons, advertisers, cast members and all of the audience.

We hope, after months of concentrated effort on our part, that the show will be as much pleasure for you as it is rewarding for us to present.

Thank you, friends, for being here.
