Your Number ONE Choice for Wireless, Personal Communications

Ms. Chris Neely

WELCOME

Good evening and welcome to our show! Tonight the members of the Twentieth Century Club are delighted that you have chosen to join us in an evening of fun and frivolity. And for your enjoyment, we present "Razzle Dazzle", the Twentieth Century Flyer.

Other projects include our Pro-Am Golf Tournament held in May each year and our Holiday Bazaar in November. Cans for Camp was a new project in 1995 developed in cooperation with the Licking County Litter Prevention Program. This project, which earned national recognition, recycled aluminum cans to benefit Camp O'Bannon and will become an annual event.

And now, as the curtain is about to rise, we want to say "THANK YOU" to everyone else who made this night possible — our sponsors, advertisers, angels, patrons, audience, friends and relatives. Last but not least, a very special thank you to our hard working cast members who now present to you the 1996 20th Century Flyer "Razzle Dazzle" ... on with the show!

Chris Neely
President
Twentieth Century Club

For the past 83 years, your loyal support has enabled us to serve the children and adults of the Licking County community. The primary focus of our efforts is most certainly Camp O'Bannon, a resident camping experience offered to children who might not otherwise have this opportunity. The experience, which has had a major impact on many young people, encourages them to feel good about themselves by developing a positive self image. During the upcoming season, together with the Newark Kiwanis Club, we expect to serve about 400 children at our two campsites.

In 1913, the original 10 young girls of the Twentieth Century Club organized the club for the support of the Newark Hospital. We continue to support the Licking Memorial Hospital, most recently through the donation of funds to assist with the purchase of a pediatric cardiac monitor. We also supply funds and volunteer hours to the Mental Health Association to distribute Parent Talk, a parent education newsletter that tracks the first five years of a child's development and is offered free of charge to any new parent in Licking County.

TAX DEDUCTIBLE INVESTMENTS IN THE 20th CENTURY CLUB AND CAMP O'BANNON

GIFTS IN HONOR: The 20th Century Club and the Camp O'Bannon Board appreciate the gifts made by donors to honor those they hold in high regard; either organization will notify the honoree of the gift. If the gift is made to honor the memory of someone now deceased, the 20th Century Club or the Camp O'Bannon Board will notify the honoree's family.

BEQUESTS: The 20th Century Club or the Camp O'Bannon Board of Directors will gratefully accept gifts made by will, and be pleased to provide further information on such gifts.

For further information write to either the 20th Century Club or Camp O'Bannon Board of Directors, c/o Ted Cobb, 62 West Locust Street, Newark, Ohio 43055.

WCLT RADIO SALUTES...

THE COMMUNITY SPIRIT OF THE TWENTIETH CENTURY CLUB

All financial institutions are the same. Right?

Fortunately they're not! Credit Unions offer the same services as banks. The difference is members of credit unions are *owners*. Unlike other financial institutions, which are in business to make money, credit unions are nonprofit.

What's this mean to you?

Credit unions are a financial cooperative. Funds you deposit are loaned to other credit union members, and their funds are available for you to borrow. So members' funds work together to strengthen the community. *That's the credit union difference.*

Our Board of Directors are also members, and more importantly to you, volunteers. That means there's no high priced salaries. So you'll get higher rates on deposits, and lower rates on loans! Take a hard look at your next bank statement, especially the service fees. You'll see the difference, and your wallet can feel the difference.

Who's Hopewell Federal Credit Union?

We're a full service financial institution located at 645 Heath Road, across from the Newark/Heath Airport. We have checking and savings accounts (both with no monthly fee!), VISA cards, ATM cards, auto loans, leases, even home mortgages! Experience the credit union difference for yourself. Call 522-8311 for information.

Licking County residents welcome!

LET'S STOP UNDERAGE DRINKING BEFORE IT STARTS

Family Talk About Drinking

At Anheuser-Busch, we believe the sooner parents teach their kids the responsibilities of drinking, the more likely it is the kids will decide not to drink before they're of legal age — and to drink responsibly, if they choose to drink, when they become adults.

With this in mind, we've developed "Family Talk About Drinking," a series of informative guides written with the help of experts in family counseling and alcohol education. Call for your copies today, because it's never too soon to start talking to your kids about drinking.
