MRS. BURT PHARIS

Once again it is curtain time for the "20th Century Flyer." We have a feeling of profound appreciation tonight as we welcome each one of you. We are deeply grateful to the many people who worked so diligently and gave so freely of their time and effort in making our show a success. The splendid cooperation and the generous support we received from the entire community has not gone unnoticed. Our sincere thanks goes to the audience, the patrons, the advertisers, the cast and many, many others who so graciously contributed their time, interest and support. Now . . . up with the curtain . . . and on with the show!

Customers' Corner

It's 92 years since we opened our first store.

We're proud of the fact that down through the years our customers have shown, by their patronage, their approval of our low cost, low profit policy.

But we are prouder of our conviction that right now A & P is serving you better than ever before.

Our stores are better; the quality and variety of our food is greater and we have the finest, best trained group of employes in our history.

But we are not content to rest on our oars.

We will appreciate any suggestions you may have for making your A & P a better place to shop. Please write.

A&P Believes It Can Save You More Money

Because . . . A&P Offers You Storewide Low Prices on Hundreds of Items Every Day . . . Instead of a Few One-Day or Week-End "Specials."

Because . . . In Addition, All A&P's Advertised Low Prices Are Guaranteed for a Full Week, Even Though Market Prices Go Up.

Because . . . This Policy Makes It Possible for You to Save on Many of the Things You Need, Rather Than on Just a Few . . . Any Day You Wish to Shop, Instead of on Week-Ends or Special Days Only.

A&P's Price Policy

Storewide low prices on hundreds of items every day . . . instead of just a few "one-day" or "week-end specials."

Advertised prices are guaranteed for one week, even though market prices go up.

We believe this policy helps our customers save more money.

With the correct price marked on every item, plus an itemized cash register slip . . . you know what you save at A&P.

HISTORY OF

THE TWENTIETH CENTURY CLUB

In 1913, a group of ten girls, ranging in age from ten to twelve years, organized a club. From those first meetings grew the Twentieth Century Club, which has continued to function through two world wars, expanding from a social to a service club.

The name, "Girls of 1913," was originally used, but objections were raised that the club might last longer than one year, and so the organization became the Twentieth Century Club.

The original members were: Helen Norpell, president Elizabeth Kibler, Laura Beggs, Dorothy Wilson, Hazel Colville, Anna Haynes, Mildred Eade, Fulton Eade and Mildred Simson.

Bored with just belonging to a club with no purpose in view, these young women decided to devote their time toward furnishing a baby ward in the new hospital then being erected. Their first attempt was a benefit garden party held at the home of Mary and Elizabeth Kibler, which netted \$60.00 toward the hospital project. Success brought continuation of the parties, and the money secured helped not only the baby ward but also gave new equipment for the laboratory, X-ray machine, the redecoration of parts of the hospital, and the purchasing of new furniture for the nurses' home.

New members were added from time to time, and an annual tag day was established. Profits ranged from \$400 to \$1,000 on those days.

In 1925 the club joined with Phi Sigma Chi Fraternity and Kiwanis Club in giving the first Charity Ball and sponsoring a health camp for under-privileged children and those who had tuberculosis contact. In conjunction with other sponsors, the club has raised as much as \$4,500 a year for that work. The club work now includes aiding in campaigns for Community Chest, Red Cross, Christmas and Easter seals, and other civic enterprises, but The Licking County Health Camp and the Newark Hospital Baby Ward remain the two main projects.

Do You Know That . . .

The Twentieth Century Club was organized in 1913.

The purpose of the Club is to foster interest among its members in the social, economic, educational, cultural and civic conditions of the community and make efficient its volunteer service.

Our present membership totals 68.

All funds are spent for charitable purposes.

We inaugurated the first baby ward in the Hospital and have maintained it throughout the years.

During 1950 we spent \$986 in the Baby Ward for curtains, blankets, shirts, diapers, ventilators, lighting fixtures, baby beds and incubators.

That we have maintained for years a book truck at the Hospital and have recently purchased a new truck at a cost of \$150.00, from which we supply patients with books and magazines twice each week.

A member of our organization serves on the Board of Trustees of The Newark Hospital.

In 1925 we joined with the Phi Sigma Chi Fraternity and the Kiwanis Club in organizing the Licking County Health Camp.

Members prepare The Health Camp for its Spring opening each year.

FRUSTRATION

Behind the glamour of the stage
Behind each ad on every page
There is a tired, patient man
Preparing dinner from a can.
His lot is not an easy one.
It's so much work and not much fun.
A sinkful of dishes, a houseful of dust,
Two tots full of mischief and ready to bust.
The phone's constant ringing; knock knock at the door,
The dog's on the table, the lamp's on the floor.
While Dad's job and housework in vain he combines,
Mother's busy rehearsing, and practicing lines.
A radiant show girl and coy Follies beauty,
She's slighting her family, and shirking her duty.
So as you're applauding, give credit where due.
Remember the husbands, it's their Flyer, too.
