CAMP O'BANNON

Our History

Camp O'Bannon has had an impact on Licking County Families for 90 years. It was started by the State of Ohio as a "Fresh Air Health Camp." In the late 1920's and early 30's, the operation was taken over locally by the 20th Century Club and the Newark Kiwanis Club. Camp O'Bannon was one of the original 6 United Way agencies. The support of these 3 organizations continues today. Camp O'Bannon was relocated to its present site in the 1950's and adjacent properties were acquired and original facilities completed.

Under the leadership of Joe Shaw, camp's first full time director, the Outpost Camp was started in 1976 and the current outpost property purchased by the 20th Century Club and T.J. Evans Foundation in 1979.

Since 1995, camp has undergone major facility and infrastructure improvements. All of the buildings have been repaired and improved. A beautiful new 200 sq. ft. swimming pool was completed in 2002 and a much needed new bath house and laundry facility was built in 2007.

Our Campers

The mission, programs, and history of Camp O'Bannon come together each summer and are reflected in the smiling faces of the 400 Licking County children we serve. Ninety-five percent of these children have been referred by local schools and

social service agency staff as those who would most benefit from our program. Over ninety percent of our children qualify for free lunches at school. For many of our children, Camp O'Bannon is their only summer vacation.

Meet the Director

JONNY STEWART

Jonny is thrilled to be in Newark, Ohio, working with the 20th Century Club, directing this updated version of Movie Madness that has been a CAP Follies standard since 1990.

Jonny studied Theater and Directing at St. John's University in Collegeville, MN. His most memorable experience was starring in a world premiere showing of *The Witlings*, an 18th Century study of aristocratic living. After spending a year in Hawaii, he moved to Los Angeles where he participated in numerous productions over the next eight years. Some of his noteworthy, larger shows were *FAME*, *Evita*, *Camelot*, and *MAME*.

In 2006, Jonny moved to Minneapolis, MN, and became involved in Theatre Limina where he directed *Betrayal*, *Santaland Diaries* and an annual *Burlesque* show. While in the Twin Cities, Jonny went back to school and acquired a Bachelor's Degree in Entrepreneurial Public Relations.

In 2009, Jonny relocated back to South Dakota and reconnected with the Town Players community theater, the original theater that inspired him since childhood. He recently finished directing *Leading Ladies* with sold-out performances and rave reviews every night. Jonny's also quite familiar with follies. He first started participating in follies at the age of 14 and has now worked with Christopher Alan Productions for the past 3½ years.

Jonny would like to thank the club, cast, and crew for their hospitality, enthusiasm, and hard work!

The 20th Century Club's President - Julie Kunsman

Lights, Camera, Action! The 20th Century Club is very pleased to share and present to you, our 37th Flyer, Movie Madness!

It is with much pleasure and enthusiasm that I recognize the women of the 20th Century Club on our 99th year of service to Licking County! Our various contributions to the community include supporting Camp O'Bannon with the Newark Kiwanis Club. In addition, our club supports Licking Memorial Hospital and Mental Health America. Our membership volunteered over 4,000 hours of service in 2011!

Our club will celebrate our 100th anniversary in 2013. Our club was started in 1913 by 10 young girls who raised money for the hospital and 100 years later, we continue to support the hospital. Over these first 100 years, the 20th Century Club has participated in many civic projects all benefiting the children of Licking County and we are most proud of this milestone and our achievements! We look forward to our upcoming annual Pro Am Golf outing at Moundbuilders Country Club. The golf outing will be May 18, 2012 and we hope to see many of you on the links!

Our club's work is very much possible thanks to many local businesses and organizations. Please take a moment to peruse the following pages and support them. Together, we will send over 400 local children to a great summer camping experience and that is what it's all about!

Many thanks and appreciation are extended to our Corporate Sponsors, Angels and Patrons. We are most grateful for your continued financial support and presence at the Flyer - thank you! This evening's performance would not be possible without you being in our audience, and certainly without our very talented and outstanding Cast, Crew and Director. Many thanks to you for the last 3 weeks of hard work and enthusiasm! A HUGE thank you to Debbie Mauter and Susan Martine - our Flyer Chairperson's. You gals are AWESOME, and to each committee chairperson, what a DYNAMITE group!! And last, the work of our Club would not be possible without the support of our wonderful husbands and families. During the last few weeks especially, you have my sincere appreciation!

That's a wrap! Enjoy the movies!
