Spotlight on our Director • Christopher Alan Fettig

Our director comes to us from Fort Thomas, Kentucky, which is a suburb of Cincinnati, Ohio. In 1984, he founded CHRISTOPHER ALAN PRODUCTIONS (capfollies.com), which has become the premier producer of amateur revue fundraisers in the country. He is delighted to be

working on the "20th Century Flyer" for the second time.

CAP has produced "follies" revue shows in Arkansas, Illinois, Kentucky, Massachusetts, Minnesota, Montana, North Carolina, Wisconsin and several in Michigan, New York, Ohio, South Dakota and Texas. This season, they will also be starting new Follies traditions in Indiana, Missouri, New Mexico and Virginia! CAP also produces industrial shows and other professional theatrical and musical productions in the Greater Cincinnati area.

As a performer, Chris has had many exciting and rewarding opportunities, but he prefers to offer the opportunity to be on stage to nearly a thousand volunteer cast members across the nation each year. Since its beginning, CAP has helped various organizations raise hundreds of thousands of dollars for great causes throughout the country.

In 1997, Chris followed Red Buttons and Fred Travelina as a

"headliner" on the newest "Love Boat". He was the managing member of the three-man musical team "The Hooligans" on board Princess Cruise Lines' Dawn Princess in Alaska. The trio delighted huge audiences from around the world with their performances in The Princess Theater, a state-of-the-art facility onboard this ship during its inaugural season.

Chris's many other credits include: film work with Tom Selleck and F. Murray Abraham in *An Innocent Man*, Tom Cruise and Dustin Hoffman in *Rainman* and Jodie Foster in *Little Man Tate*; professional stage work in Cincinnati for Kings Productions at Kings Island and elsewhere; in Atlanta and Las Vegas for American Entertainment Productions; has been a Ship Entertainment manager for Carnival Cruise Lines; he has even had the good fortune to sing with The Oak Ridge Boys.

Chris graduated from Northern Kentucky University with a degree in Theater, Music and Psychology (which comes in quite handy while on the job). He has also had over three years of training in Musical Theater from the prestigious College-Conservatory of Music at the University of Cincinnati.

When he is not "on the road", Chris enjoys spending lots of time with his adorable daughters, Michaela, 9, and Gracie, 5.

A Message from Doris Spriggs, The Twentieth Century Club's President

Good evening and welcome to the beautiful Midland Theatre to enjoy an evening of great entertainment brought to you by the Twentieth Century Club. This is

the 33rd production of the Flyer since the first flyer was held in 1937, and our 91st year of service to the Licking County community.

The chairman and co-chair of this year's "*Red, White and Boogie*" are Donna Stasel and Debe Petrey. Their committees have been working very hard to make this show a success. It's hard to believe that in just three short weeks this great show has come together for your enjoyment. Many of our Twentieth Century Club members, spouses and community members are involved in the production both on stage and behind the scenes.

Proceeds from tonight's performance will enable us to send 400 children to camp this year. The camp experience encourages

development of a positive self-image while providing the opportunity to build new friendships and enjoy a carefree week of fun. The Twentieth Century Club, in conjunction with the Newark Kiwanis Club, has supported Camp O'Bannon for many years.

In addition to the Flyer, other projects sponsored by our club include the ParentTalk newsletter sent out every other month to Licking County families, as well as the ProAm Golf Tournament, which will be held this year at Moundbuilders Country Club on May 14th.

Thank you to everyone who has made the production of "*Red, White and Boogie*" possible - our Angels, Patrons, audience, advertisers, sponsors, cast and crew. We are so proud of our community for all their support. Be sure to thank our advertisers for their support by patronizing their businesses.

Now, step back in time and let's Boogie!

Local Hero

For more than 35 years, Interim HealthCare has been making a difference. Reaching out into the community. Improving lives. One patient at a time. And in the process, quietly becoming a hero to someone who really needs one.

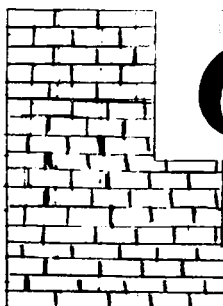

It's the reason why we're the largest combined provider of supplemental staffing and home health care in America. We haven't forgotten what's really important. Our people. Our patients. And, our home town.

That's what makes us different. We're people you count on. Care you trust. Right in your own community.

READERS' CHOICE AWARDS

Everyone has a story to tell...

A person's finances are personal stories of triumph and defeat...the glorious feeling of elation from that first paycheck you ever received to the realization of car payments, house payments, medical payments, credit card payments. We hear these stories every day...and every day we work to rearrange your finances so you save money with one low payment at one low rate. Whether your need is lower monthly payments or reducing the amount you owe over the lifetime of the loan, we focus on each family's individual needs. Because everyone has a story...

RED, WHITE & BOOGIE

When the USO was making life a little more pleasant for our WWII troops the 20th Century Club was making life a little more pleasant for the people of Licking County. Since 1913 the 20th Century Club has been helping children and newborns in need. They've also been bringing great local entertainment to the stage with the biennial Flyer. And even though it is now the 21st century, they didn't change their name. It just wouldn't seem right. It's tradition!

During the '40's the Park National Bank had a single office at 32 North Park Place. Now we are part of the \$5 billion Park National Corporation with 114 offices in 26 Ohio counties. But in Licking County we are still very much The Local Bank and we're still Park National Bank. We support most every worthwhile local effort with our money and with our people – many in leadership positions. That is our tradition!

If you aren't already banking with Park National this would be a wonderful time to start. We really want to be your bank.
