OFFICER REPORTS

President, Lisa Darrah: Lisa thanked everyone for being at the meeting. She asked any members who are on social media to make sure we are sharing our Club posts and directing people to our website. We are doing great work and want others to get to know us better...Lisa has been in contact with Scot Koebel, Kiwanis president, about advertising our events at their meeting. He said that he would make that happen...Quote for the month is from Margaret Carty – “The nice thing about teamwork is that you always have others on your side.” It is always an awesome feeling knowing that you have others on your side working toward the same goal...In Our case, working hard as a team to raise money for kiddos to have an amazing camp experience.

Vice President/Orientation, Joan Banks: Joan advised the Orientation Meeting for Cathy Boykin and Kole Misiewicz was held on Monday, April 10, 2023 at 5:15 at the River Road located in downtown Newark.

Treasurer, Kerri Postle: Kerri reviewed the April Treasurer's Report that was sent out electronically to the membership. The General Checking Account Balance as of April 30, 2023, \$14,250.34, Foundation Checking Account Balance, \$12,253.57. Foundation Trust Account Balance \$461,803.23. Motion to approve the Treasurers' Report was made by Joan Bankes and seconded by Vicki Baker. Motion carried. Kerri also reviewed in detail the difference for the General Account and the Foundation Accounts. The General Account is used for our day-to-day general operations (i.e. postage, stationary, PO Box rental, etc...). The Foundation is a 501c3 and has two accounts – the checking account and the Trust account. All of the fundraisers are run through the Foundation checking account. Kerri also contacted Venmo about running fundraiser payments through a Venmo account. Unfortunately, at this time we could only accept donations through the account where nothing was received in return. For example, if someone just wanted to make a \$500 donation, that could be done. However, if they wanted to pay for a golf outing entry fee, the Venmo account could not be used for that. It is something they might be researching and changing in the future. In the meantime, fundraiser payments may be made via cash, check or credit card...Kerri advised the check to Licking Memorial Hospital in the amount of \$2,000 has been delivered for the purchase of stuffed animals.

Corresponding Secretary, Cindy McCracken: Cindy reported that we received a note from Doris Spriggs...just wanted to say “hi”. She wanted everyone to know that she is adjusting well to Florida and that she misses us.

Camp O'Bannon, Kerri Postle: Kerri advised that there was a Camp Board meeting on April 26th. She advised that Ted is having trouble getting all of the college aged counselors that they need – they still need 8-9 counselors and may not be able to open Outpost again for the same reason. The walk-in freezer is in. They will be working on the pool as soon as it warms up. The roof on the Main Lodge will need replaced but it should be fine until this fall. They are hoping to get volunteers for the labor. **The Strawberry Festival will be June 2nd-June 4th. Ted may need workers to help at the Kiwanis Trailer.** Ted and Jess are handling the registrations and they are going well. At this point, they do not need help. Kerri delivered the blankets and towels to camp – Ted and Jess were so thankful and Jess cried. 20th Century members washed and dried the blankets and towels prior to delivery. Kerri brought a sample of the blanket to the meeting...it was very soft and the perfect size. She reminded members to sign up for the following volunteer slots via Sign-Up Genius – 1) Wednesday Ice Cream Bar at Camp. Volunteers will be setting up, "scooping" ice cream and cleaning up – about 6:00 to 8:30 PM. 2) Camp Clean up on Saturday, June 3rd, and Monday, June 5th. Kerri advised that she and Scot Postle will be spraying out the cabins so that we will finish cleaning them on Saturday. Donuts will be provided. On Monday, we will be making the beds up and planting flowers. Pizza will be provided for dinner. Feel free to come early on Monday to make beds prior to the meeting. 3) Help with Laundry on Saturdays. The sign-ups for this are going well; only a few slots left. 4) Camp Supplies can be donated now and through the camp season. Monies, Kathy Rigoli: On behalf of the committee, Jennie Hall reported that the Monies Committee met electronically with the aid of Kerri Postle, our treasurer. Ted Cobb submitted a request for \$30,000 for Camp O'Bannon this year. After review of last year's fundraisers and the good health of the Foundation account, the Monies Committee recommended approving Ted Cobb's request for \$30,000.00, to be delivered in two segments – one at the beginning of June and one at the beginning of July. Motion was made by Paula McWilliams to approve the Monies Committee's recommendation, motion seconded by Vicki Baker. Motion carried.

Orientation, Joan Bankes: See Vice President/Orientation note.

Golf Outing, Sandi Dry: Sandi reported the Golf Outing Committee has met twice to discuss details of the outing. Currently the outing is scheduled for Saturday, August 19th, with a 1:00 PM shot gun start at Denison Golf Course. The course is requiring a minimum of 100 players to have the shot gun start. Denison has increased the player cost to \$55/golfer so we have increased the player entry fee to \$125.00 to cover the anticipated golf and food increases. We will be furnishing a light lunch and a nice dinner. We are looking into a couple of other options for the outing so the date is not set in concrete yet but will be soon. If anyone has any contacts or associations that would be willing to help defray the dinner costs, please contact a committee member. We also need help getting door prizes.
