**MIKE GEIBEL
IS OUR GUEST
WHILE DIRECTING
"STEPPIN' OUT"**

Mike Geibel has been associated with theatre, both amateur and professional, for over 15 years. He received his Bachelor of Arts in Directing and Design from Slippery Rock University of Pennsylvania. (Yes, Virginia, there is a Slippery Rock!)

Now in his third year with Cargill Productions, Mike is based in New York City, but travels extensively as a director. Previously, Mike worked as artistic director for APO Players, a residence/touring company in Western Pennsylvania, and as director/actor for Cardboard Clowns, a touring company based in Frankfurt, West Germany.

In addition to directing, Mike has acted in over 30 productions, both in the United States and in Europe. He enjoys writing, and is presently working on his fourth play. On tour, he has worked with Maynard Ferguson, Woody Herman, B.E. Taylor, Spyro Gyra, Mummenschantz, National Theatre of the Deaf, and the Eric Hawkins Dance Company.

MIKE GEIBEL, DIRECTOR

Welcome

WELKOMMEN, BIEN VENUE, WELCOME - In true show business tradition, we welcome all of you to "Steppin' Out", The Twentieth Century Flyer. We are delighted that you have chosen to join us in an evening of fun and frivolity for the support of Camp O'Bannon and the Licking Memorial Hospital.

The Twentieth Century Club is beginning its 75th year in service to the Licking County community. The 134 women that comprise the membership are excited to start this anniversary year with "Steppin' Out". Throughout the year we will also host the sixth annual Pro-Am golf tournament on May 13th, sell the 20th Century cookbook, hold our annual bazaar on November 12th, and finish the year on December 10th with a special anniversary "Holly Ball", a formal holiday dance.

In 1987, these women served 9500 hours in support of our two major projects. Camp O'Bannon is a summer camping experience for selected children. Together with the Newark Kiwanis Club, we expect to serve over 400 children at our two camp sites in 1988. In 1987 we purchased a riding lawn mower and a 35 passenger bus for the camp. Also in 1988, we are expanding our service to the children by reinstating the After School Program to be held throughout the school year.

In 1913, the original 10 young members of the 20th Century Club organized the club for the support of the Newark hospital. We continue to support the Licking Memorial Hospital 75 years later. The club offers three monthly tours of the Obstetrical Department for expectant parents. After the birth of their child, the parents are offered "Pierre the Pelican", a parent education letter that tracks the first six years of a child's development. Twice a week, we provide patients with books and magazines from our lending library cart. In 1987, we donated \$5,000 toward the purchase of an echocardiograph machine.

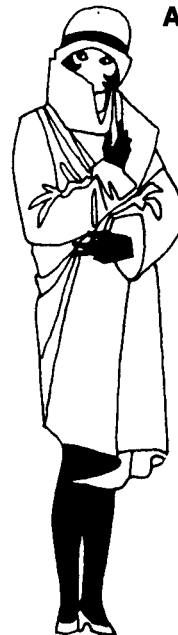

And now as the curtain is about to rise, we want to say **DANKE SHON, MERCI BIEN, and THANK YOU** to everyone else who made this night possible - our sponsors, angels, patrons, audience, friends, and relatives. Last but not least, a very special thank you to our hard working cast members who now present to you the 1988 20th Century Flyer, "STEPPIN' OUT".

Let Scrubs introduce your child to the hospital.

I'm Scrubs, the "spokesdog" for Licking Memorial Hospital's Children's Programs. We know hospitals can be scary to children, so we have four programs that help introduce your child to the hospital in a fun and informative way.

There's our *First Visit* program, which is geared to first-grade children. I'll greet your child's class when it arrives at the hospital, then show the children a room where they'll learn all about a tonsillectomy.

Then there's the *Birthday Club*. Once a year, each child born at Licking Memorial is invited to the hospital for a party that includes ice cream and cake and plenty of fun and games. I'll be there to play with the children, show them an ambulance and teach them a little about emergency treatment of injuries.

Our *Inside Story* program prepares both children

and their parents for pediatric surgery. Tours are conducted twice a month, where you and your child will examine the surgery area, meet a nurse dressed for surgery and walk through the pediatrics floor.

Our *Room to Grow*[®] program includes a six-part activity series designed to give children ages five through nine the opportunity to interact with others while learning new skills, exploring new ideas and expressing new feelings. Each of the six topics is taught for 10 weeks and covers a wide range of developmental areas.

If you'd like more information about Licking Memorial Hospital's Children's Programs, just call us at 344-0331. Tell them Scrubs sent you.

75 YEARS OLD

HISTORY OF THE TWENTIETH CENTURY CLUB

In 1913, a group of ten girls, ranging in age from ten to twelve years, organized a club. From those first meetings grew the Twentieth Century Club, which has continued to function through two world wars, expanding from a social to a service club.

The name "Girls of 1913," was originally used, but objections were raised that the club might last longer than one year, and so the organization became the Twentieth Century Club.

The original members were: Helen Norpell, president; Elizabeth Kibler, secretary-treasurer; Mary Kibler, Laura Beggs, Dorothy Wilson, Hazel Colville, Anna Haynes, Mildred Eade, Fulton Eade and Mildred Simpson.

In 1923 the club joined with Phi Sigma Chi Fraternity and Kiwanis Club in giving the first Charity Ball and sponsoring a health camp for underprivileged children and those who had tuberculosis contact. In 1937 a musical variety show was begun as a major moneymaking project. The production is known as The Twentieth Century Flyer and is presented every two years. For many years our membership was responsible for the Special Gifts Division of The United Way. In 1977 The Twentieth Century Club Cookbook was published and is being distributed throughout the United States. In 1983 the Twentieth Century Club and Moundbuilders Country Club jointly held the First Annual Pro Am Golf Tournament.

With the proceeds from these projects we support Camp O'Bannon and the Licking Memorial Hospital.

Original program cover for many years.
