MEET OUR DIRECTOR

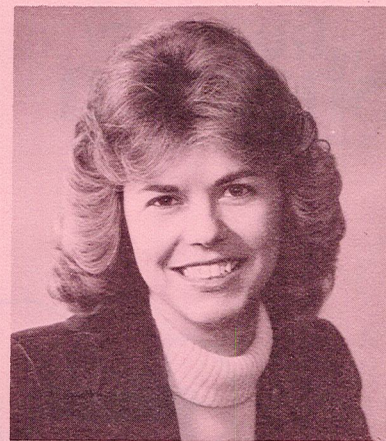

William Dugan, now a resident of New York City, was born in Concord, Mass. and began to study dance at age 11. At 19 he moved to New York City to study with Martha Graham. Early training also includes scholarships to the Julliard School of Music and to the American Musical and Dramatic Academy. Professional credits include performances with Jose Limon, Lucas Hoving and John Butler.

William Dugan

WELCOME!

**Mrs. George Andrews
President of 20th Century Club**

Welcome to the 1980 Twentieth Century Flyer. We are pleased that each of you could join us tonight for an evening of fun and entertainment.

Through the enthusiastic work of our members and the loyal support of each of you, we have been able to continue and improve our efforts at Camp O'Bannon. Together with the Newark Kiwanis club, we provide over 300 Licking County children with a summer camping experience they might not otherwise be able to enjoy. Since our last Flyer, the Twentieth Century Club, along with the Thomas J. Evans Foundation, purchased 140 acres of land near the Black Hand Gorge area, which is presently being used for a primitive style of camping for older children. Hopefully, it will be developed in the future to expand the activities of the camp program.

Licking Memorial Hospital continues to be a beneficiary of the club's efforts. We sponsor and maintain a mobile library for

inpatients and our members conduct regular tours of the hospital's Obstetrical Department for prospective parents. In 1979 we began to distribute parent education pamphlets to new mothers providing them with information designed to promote their child's mental and emotional development.

The entire membership of the Twentieth Century Club extends a personal thanks to our advertisers, patrons, friends, cast members, and audience for allowing us to continue in our 67th year of community service.

We thank each of you for coming this evening and hope you enjoy "The Joker's Wild".
