SEND IN THE CLOWNS

60 years on the "boards", 350 roles in the legitimate theatre, thousands of miles across America, is a start, in the career of Charles Crain. He has directed the likes of Ruth Buzzi, John Astin, Brian Keith, Jean Stapleton and Dick York to name a few, in places like Palm Springs, Tucson, and Jennerstown, Pa., and Cargill productions in every part of the U.S. and Canada. We are indeed fortunate to have Mr. Crain with us this year for "Send In The Clowns"

Jane (Mrs. L. James) Gordon
President of 20th Century Club

Concern for the Community, Twentieth Century Club. Service to the community has been the motivation of the Twentieth Century Club since its organization in 1913. Tonight we are pleased to show you our new logo. You, our cast, our audience, our patrons, our advertisers and our friends have supported The Twentieth Century Club projects for nearly 70 years.

Two of our original Twentieth Century Club members still live in our community and recall their efforts to furnish the baby ward of the then new hospital. Today the Club's membership of over one hundred women continues to serve Licking Memorial Hospital. Three tours through the Obstetrical Department are conducted monthly by Club members. Twentieth Century Club members take a lending library book cart through the hospital every Tuesday and Friday distributing magazines and books to patients and supplying reading material to the waiting rooms. The Club is supporting financially and with volunteer hours an educational program

which informs parents about the mental and emotional development of their child. Several Twentieth Century Club members provide volunteer hours to the MARU program of the hospital. In addition, the Club members support the hospital with funds for specific needs.

The Twentieth Century Club has completed 55 years as sponsor of Camp O'Bannon. Our members and the Newark Kiwanis Club provide and maintain the physical facilities of this unique privately owned camp for over 300 children who otherwise would not have the opportunity for a camping experience. During the past ten years The Twentieth Century Club has raised and spent over \$90,000 for the Camp.

Other Club projects include our cookbook, sold nation-wide, and a bazaar conveniently held at holiday-time. Our main source of income is The Twentieth Century Club Flyer, and we thank each of you for coming this evening and hope you enjoy "SEND IN THE CLOWNS."

When you list your home for sale with Woeste Real Estate, Inc., you work with a leader - an independent firm selected over all others in this area. We were chosen for our integrity, for our business reputation, for our record of client satisfaction in this community.

What does this mean to you?

It means we give you a large market of qualified buyers. We help you sell your home fast, at a good price. We also have valuable information for you - everything from decorating to taxes - all with the authority of Better Homes and Gardens®, the magazine trusted by millions of American homeowners since 1922.

If you move out of town, the Better Homes and Gardens Relocation Service puts you in touch with real estate professionals in your new community, who provide you with advance information on homes there.

Put two names you can trust on the sign right in your front yard: Woeste Real Estate, Inc., and Better Homes and Gardens.®
