DEDICATION WITH GRATITUDE

The success of each Flyer depends upon the continued dedication and support of our community members. We dedicate our performances this year in memory of

Gwen Fargo..... 20th Century Club Member
Lewis Mounts Props Committee
Brian Fraley Cast Member
Karen Stewart..... Cast Member
Carolyn Cochran Cast Member
Matthew Trombetta..... 2010 Director

These individuals generously donated their time and talents to benefit Camp O'Bannon and the children of Licking County.

CAMP O'BANNON

Our History

Camp O'Bannon has had an impact on Licking County Families for 90 years. It was started by the State of Ohio as a "Fresh Air Health Camp." In the late 1920's and early 30's, the operation was taken over locally by the 20th Century Club and the Newark Kiwanis Club. Camp O'Bannon was one of the original 6 United Way agencies. The support of these 3 organizations continues today. Camp O'Bannon was relocated to its present site in the 1950's and adjacent properties were acquired and original facilities completed.

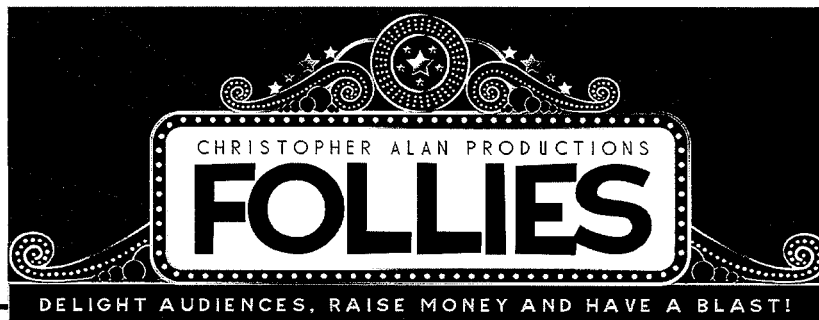

Under the leadership of Joe Shaw, camp's first full time director, the Outpost Camp was started in 1976 and the current outpost property purchased by the 20th Century Club and T.J. Evans Foundation in 1979.

Since 1995, camp has undergone major facility and infrastructure improvements. All of the buildings have been repaired and improved. A beautiful new 200 sq. ft. swimming pool was completed in 2002 and a much needed new bath house and laundry facility was built in 2007.

Our Campers

The mission, programs, and history of Camp O'Bannon come together each summer and are reflected in the smiling faces of the 400 Licking County children we serve. Ninety-five percent of these children have been referred by local schools

and social service agency staff as those who would most benefit from our program. Over ninety percent of our children qualify for free lunches at school. For many of our children, Camp O'Bannon is their only summer vacation.

Meet the Director

CHRISTOPHER ALAN FETTIG - Producing Director

Delighted to be at the helm of the 20th Century Flyer for the sixth time, Chris has been a traveling Follies producer and director since 1990. He recently completed his 18th annual Follies show in Watertown, South Dakota which is his longest running annual show. It was there that his new show, Totally Awesome 80's, was premiered. This is the 14th Follies show he has written that is available to sponsoring organizations across the country.

Chris is Executive Producer of capfollies.com, which has helped to raise millions of dollars for many great causes by producing CAP's musical comedy variety shows nationwide. He has experience in entertainment from theme parks, cruise lines, motion pictures, industrial films and live professional theatre as a performer, manager, producer and director. He studied Musical Theatre extensively at CCM at the University of Cincinnati and has a degree in Theatre and Music from Northern Kentucky University.

Meet the Choreographer

BRIANNE WATERS - Assistant Director & Choreographer

Recently back from the high seas, Brianne joins Chris this year for her very first 20th Century Flyer with this production of Licking County On Broadway. A proud graduate from Oklahoma City University, Brianne has grown up dancing and performing since she was old enough to twirl. Work (and play) has taken her all over the country and world, starting at home in Tennessee at CCP, then after university in Bally's Jubilee! in Las Vegas, and traveling the world while working on cruise ships. Thanks to Chris and Danielle for this opportunity and introducing me to so many friends; Mom and Dad, and Seba for my favorite face.

Good Luck,

GUMMER WHOLESALERE WISHES 20TH CENTURY FLYER GOOD LUCK!!!

From the Club President

and the 400 children selected each year to experience summer camp and embrace the fullness of making friends, all while building self esteem.

I fondly remember my childhood summers filled with endless days of adventure ...that is until the street lights flickered on and my mother's voice came bellowing over the hill. Each morning I would load my bag with the essentials, saltine crackers and peanut butter, and hop upon my pink banana-seat bike. Foraging for blackberries, building twig forts and climbing trees were just part of my daily routine. When summer's heat became too much, skipping rocks and catching water bugs in the creek became the way to cool down. The day's adventures would always be rewarded by resting atop the soft moss that carpeted the hillside and was a welcome resting spot for my bare feet.

Every child should have such wonderful memories to look back

upon. Camp O'Bannon has provided these memories for so many children in Licking County, and is the main reason that our Club works so diligently to support this ongoing need.

Through your support of The Flyer and the Twentieth Century Club we are able to continue this endeavor. We are deeply grateful to our Sponsors, Supporting and Leading Roles, as well as our Cast and Crew for the long hours of hard work to make this evening possible.

I hope you enjoy tonight's production with the youthful enthusiasm that is in all of us, and invite you to sing along. Sit back, and enjoy "Licking County on Broadway"!

Agnes Reed Windholtz

Agnes Reed Windholtz

It's a privilege to be at your service!

What do banking and a Broadway experience have in common? You should expect the best. You want to be treated like you're important. Sometimes, you might even want to feel like a star.

At Park National Bank, our goal is to make you feel like the most important person we come in contact with all day. We do this by providing personal attention, trustworthy guidance, and reliability. We listen to you and build a relationship with you, then we talk about how we can help you achieve your goals.

We invite you to be our guest and put our service to the test. If it doesn't measure up to a 5-star experience, please tell us. Every PNB customer deserves to have the red carpet rolled out for them, and it's our job to make sure that happens.
