## Spotlight on our Director \* Christopher Alan Fettig

Christopher and Danielle Fettig

Our director comes to us from Cincinnati, Ohio. In 1984 he founded CHRISTOPHER ALAN PRODUCTIONS (capfollies.com), which has become the premier producer of amateur revue fundraisers in the country. The goal at CAP

is to produce a highly entertaining revue in a very short rehearsal period, with the volunteer cast having great fun all along the way.

CAP has produced "Follies" revue shows in Arkansas, Georgia, Illinois, Indiana, Kentucky, Massachusetts, Michigan, Minnesota, Missouri, Montana, New Mexico, New York, North Carolina, Ohio, South Dakota, Texas, Virginia, and Wisconsin. CAP also produces industrial shows and other professional theatrical and musical productions in the Greater Cincinnati area.

As a performer, Chris has had many exciting and rewarding opportunities, but he prefers to offer the opportunity to be on stage to a thousand cast members across the nation each year. Since its beginning, CAP has helped various organizations raise hundreds of thousands of dollars for great causes throughout the country.

Chris's many other credits include work on four major motion pictures; professional stage work in Cincinnati for Kings Productions; in Atlanta and Las Vegas for American Entertainment Productions; singing with The Oak Ridge Boys, and being a ship Entertainer manager with both Carnival and Princess Cruise Lines.

Chris graduated from Northern Kentucky University with a BFA in Theater, Music and Psychology and had training in Musical Theater from the prestigious College-Conservatory of Music at the University of Cincinnati.

When not "on the road" Chris enjoys spending time with his wife, Danielle, and his daughters, Michaela, 13, and Gracie, 9.

## Danielle Fettig \* Assistant Director/Choreographer

Danielle Fettig is the Production Manager of Christopher Alan Productions, where she plans and coordinates CAP Follies all across the United States.

Originally from Meadville, Pennsylvania, Danielle has eight years of opera training and has performed in dozens of musical productions at the Academy Theater in Meadville and at the Erie Playhouse, including major roles in West Side Story, Grease, 1776, and Joseph and the Amazing Technicolor Dreamcoat. A former dance teacher, Danielle has 15 years of dance training, including ballet, pointe, jazz and tap. She has also attended summer intensives with David Howard, The Lake Erie Ballet, and Dance Masters of America Teacher's Training School.

Danielle is a former Television News Anchor for WSEE-NewsWatch 35, the CBS affiliate in Erie, Pennsylvania. She spent more than five years there, including reporting from the Pentagon just weeks after the attacks of 9/11. She

won an AP Award for her contributions to a special hour-long "Caring for Kids" special and in 2001 received the Crawford County Chamber of Commerce Award for Crawford County News Coverage.

Before her television career, Danielle won the title of Miss Crawford County 1997 and competed at the Miss Pennsylvania/America Pageant. In 2003, Danielle returned to the Miss Pennsylvania Pageant, this time as the youngest judge in pageant history.

Danielle is a graduate of Allegheny College with a Bachelor of Arts degree in Communication Arts and a minor in Political Science. She married Chris Fettig on December 28, 2006 at Disney's Wedding Pavilion in Florida, with the Cinderella coach and all!

## The 20th Century Club's President \* Debe Petrey

Welcome to the beautiful Midland Theatre as we present this year's Twentieth Century Flyer, "Island Rhythms". This is the 35th production of the Flyer, and we hope you enjoy it as much as those who have been coming to this local biennial tradition since 1937, the year of the first Flyer. The Chairman and Co-Chairman for this year's Flyer are Sandi Dry and Wanda Gainer.

Their committees have volunteered countless hours over the past year to make this a wonderful evening of fun and entertainment. Many of our Twentieth Century Club members, spouses, and community members are involved in the production both on stage and behind the scenes. I am so very grateful, proud, and thankful for their many hours of hard work and unwavering dedication to this show.

Proceeds from tonight's performance will make it possible for over 400 children to attend Camp O'Bannon this summer. The camp provides an environment that promotes the building of self-esteem and confidence while providing the opportunity for new friendships and a camping experience that they might not otherwise be able to enjoy.

The Twentieth Century Club has been serving the Licking County Community for 95 years. In addition to the Flyer, we also sponsor the Twentieth Century Pro-Am Golf Tournament, which will be held this year on May 16th at the Moundbuilders Country Club. The club also serves children by making annual contributions to the Licking Memorial Hospital and is a partner with the Mental Health America in the mailing of ParenTalk Newsletters. Funds are also raised through the sale of the 20th Century Cookbook, which is available from any club member.

A very special thanks goes to our Angels, Patrons, corporate sponsors, advertisers, cast and crew, and you, our audience. We encourage you to thank our advertisers with your patronage.

Now sit back, bask in the sun and fun, and enjoy "Island Rhythms".

### Revolutionary New Cataract Procedure

Introducing crystalens® replacement lenses, the first and only FDA approved "accommodating" lens. By working with the eye's natural muscle, crystalens "flexes" to give you near, far and in between vision. No lens comes closer to mirroring the function of the eye's natural lens, so your life stays in focus. So if you're having trouble seeing tonight's performance, call soon to schedule your consultation at Bloomberg Eye Center.

To learn more about crystalens®, contact Bloomberg Eye Center or visit [www.bloombergeye.com](http://www.bloombergeye.com).

## Local Hero

For more than 35 years, Interim HealthCare has been making a difference. Reaching out into the community. Improving lives. One patient at a time. And in the process, quietly becoming a hero to someone who really needs one.

It's the reason why we're the largest combined provider of supplemental staffing and home health care in America. We haven't forgotten what's really important. Our people. Our patients. And, our home town.

That's what makes us different. We're people you count on. Care you trust. Right in your own community.

Tired of your jeweler clowning around?

Since 1934, the American Gem Society® has set the industry standard for high ethical business practices, continuing education, professional service, and consumer protection.

Only 5% of jewelers, designers, appraisers, and suppliers have met the requirements necessary for membership. Plus, the American Gem Society is the only gemological organization that requires its members to be recertified every year.
